This is about Pokemon

Pokémon, also known as Pocket Monsters in Japan, is a Japanese media franchise managed by The Pokémon Company, a company founded by Nintendo, Game Freak, and Creatures. The franchise was created by Satoshi Tajiri in 1995, and is centered on fictional creatures called "Pokémon", which humans, known as Pokémon Trainers, catch and train to battle each other for sport. Works within the franchise are set in the Pokémon universe. The English slogan for the franchise is "Gotta Catch 'Em All".

With the help of Ken Sugimori and other friends, Tajiri formed Game Freak and much later the design studio known as Creatures. When Tajiri discovered the Game Boy and the Game Boy Game Link Cable, it gave him the image of insects traveling along the wire. Tajiri was also heavily influenced by the Ultraman fantasy television show, Ultra Seven, in which the protagonist used giant monsters

contained within small capsules to help him fight. Together, these two sources gave him the idea for a new game called Capsule Monsters.

The Pokémon anime novelizations are the main series of Pokémon books. In this series, there are 28 books.

However, only 26 books are based on actual anime episodes, with Race to Danger and Talent Showdown having original plots. Like the Pokémon Junior series, it is a multiple-author series, authored by Tracey West, Jennifer L. Johnson, and Sheila Sweeny. The Pokémon anime novelizations start with the book I Choose You! and end with Winner Takes All, spanning the anime seasons for Indigo League, Orange Islands, and part of The Johto Journeys. This series is distinguished from others that are based on anime episodes by its chapter-book format and the design of the blurb on the back, which consists of a black box with text and several circles featuring different species of Pokémon on its rim. Books in this series typically have a Pikachu near the corner of a page, with the only exception being Team Rocket Blasts Off!, which instead has Meowth in the corner of the pages, as a reference to the member of Team Rocket.
